

Conference Data, Curricula, and Contact List

Conference topics will be directly related to Overland Criminal Interdiction activities with emphasis on intelligence sharing, multi-agency networking, target selection techniques, media considerations, interdiction officer safety, and current criminal case law.

Attendees may receive up to 28 hours of in-service training credit accredited through the Indiana Law Enforcement Training Academy (ILEA).

The primary purpose of the conference is to continue and encourage the exchange of intelligence and information relative to the use of our Nation's Highways by traveling criminals and contraband smugglers and to increase interdiction successes and convictions.

Agenda Topics and Presentations will include, but are not limited to:

- Asset Seizure and Forfeiture
- Bulk Currency Initiative
- Controlled Deliveries: *Rapid Response*
- Crime Scene Management
- Criminal Interdiction Tactics
- Drug Detector Dog Programs
- Drug Detection Tools Update
- Drug Identification in the field
- Escort Vehicles
- Fairness in Law Enforcement
- Fraudulent Documents
- Legal Issues and Considerations
- *CMV* Concealment Techniques
- Management of Criminal Interdiction Teams
- Media Relations
- Mobile Clandestine Labs
- Officer Safety for Interdiction Officials
- Pick-up Truck, Car, Van Interdiction: *Pipeline*
- Roadside Interview: *Rapid Detection of Deception*
- Suspicious Freight Investigations: *LTL Shipments*
- Trends and trafficking Patterns
- Truck Stop Investigations: *Down time Monitoring*
